

*Have you ever wondered what goes on during an emergency?*

*Are you intrigued about ambulance life?*

*Does adrenaline get your heart racing?*

*Do you desire to help those around you?*

*You are in luck!*

Whitley County Emergency Medical Services is hosting an Emergency Medical Technician (EMT-Basic) class! Join us for a meet and greet to learn more ☺

During the meeting we will discuss the who, the what, and the hows.

This is just the beginning when you commit to help those in need!

Mark your calendars and call to reserve your spot today ☺
